## HOST LEVELS & BENEFITS

### 3<sup>rd</sup> Anniversary Celebration presented by Friends of Katahdin Woods and Waters and Maine Beer Company

Our celebration marks three years since President Obama designated Katahdin Woods and Waters a national monument. The 1<sup>st</sup> Anniversary Celebration was an important time for key stakeholders to come together to celebrate the collective effort that led to the President's designation. This 3<sup>rd</sup> Anniversary Celebration continues our annual tradition of gathering those original stakeholders alongside new stakeholders invested in the future of the Monument and the projects that support it. The celebration will include refreshments, dinner, live entertainment, a silent auction, and an evening of fun activities.
