About Friends of Katahdin Woods and Waters

The mission of Friends of Katahdin Woods and Waters (Friends) is to preserve and protect the outstanding natural beauty, ecological vitality and distinctive cultural resources of Katahdin Woods and Waters National Monument (the Monument) and surrounding communities for the inspiration and enjoyment of all generations. Friends organizations offer a direct way for all to care for our national treasures, adding a margin of excellence beyond what the National Park Service can achieve without such private sector support.

Like Baxter State Park and Acadia National Park, Katahdin Woods and Waters National Monument sprang full-blown from private philanthropy—a word that means “love of humankind generally.” This stunning gift to the nation and to Maine challenges citizens to appreciate and steward the natural, recreational and cultural bounty of the northern wilds. By engaging people in protecting these civic assets, Friends’ mission is to extend and magnify the tradition of selflessness and generosity that informed the Monument’s creation.

5th Anniversary Celebration presented by Friends of Katahdin Woods and Waters and Maine Beer Company

Our celebration marks five years since President Obama designated Katahdin Woods and Waters a national monument. In the years since, the Anniversary Celebration has been an important time for key stakeholders to come together to celebrate the collective effort that led to the President’s designation. This Fifth Anniversary Celebration continues our annual tradition of gathering those original stakeholders alongside new stakeholders invested in the future of the Monument and the projects that support it. The celebration will include refreshments, picnic dinner, live entertainment, a raffle, and an evening of fun activities.

Monument Excursions

Hosts of our anniversary celebration will be invited to take part in excursions in and around the Monument throughout the course of the weekend. There will be opportunities for hiking, driving the Loop Road, paddling, learning about the history and more. Friends board or staff can help you select a guided excursion or give you the tools to guide yourself through the Monument. Space for guided excursions is limited and available on a first-come, first-serve basis.

Friends of Katahdin Woods and Waters Host Committee Levels & Benefits

We’re excited to offer a variety of benefits to hosts of the Fifth Anniversary Celebration. The table below outlines the benefits of hosting at each level. Hosts at **all** levels support the future of Katahdin Woods and Waters National Monument, following in the footsteps of visionaries like Baxter, the Rockefellers, and countless others who took part in establishing and supporting Maine’s most iconic public lands.
