

2024 Sponsorship

What connects you

to Katahdin Woods and Waters National Monument? Memories made at the family camp or in the backcountry? Habitat protection and the restoration of wild and pristine rivers? Or is it the resilient communities of the Katahdin Region? At Friends of Katahdin Woods and Waters, it's all of the above!

I hope that you will *invest with us in 2024* to: support the National Park Service in preserving and protecting the 87,500 acres of the national monument, deliver place-based programming to local schools, and be a part of the movement in the Katahdin region to create places of potential for all. A Friends sponsorship provides recognition throughout the entire year—in event promotion, marketing, and on-site (or online) experiences, including the opening of Tekakapimək Contact Station. Thank you for your support!

See you on the trails,

A handwritten signature in black ink that reads "Brian".

Brian Hinrichs, Executive Director
